

Global Call to Action Against Poverty

People Rising to End Inequalities

#NoDiscrimination Campaign

The Coronavirus pandemic has brought unspoken or unimaginable misery, especially for the poor and marginalised peoples. As most of the countries are in a state of full or partial lockdown, many have lost their jobs, sources of income and are in hunger and desperation. While governments have come up with relief measures and are providing rations and cash supplements to the needy...

Vulnerable communities are still facing discrimination, even during the pandemic

On 20 May 2020, the 7th APFSD is taking place online &
